- Please use the hand sanitisers provided throughout the club
- Familiarise yourself with the new plan for people movement around the clubhouse, 1 way system etc
- Please find a table, sit outside if possible
- All tables will be cleaned before opening and during opening hours, if you would like to clean your own table please ask for wipes
- If table service is not operating queue at the righthand side of the bar to order. Remember to keep your distance, pay and collect drinks at left hand side
- Plastic glasses only for drinking outside
- If possible please pay by card/contactless, cash will still be taken if not.
- Club kitchen will not be in use
- No food to be brought in shared or consumed
- No standing or drinking at the bar
- Parents to supervise children at all times remembering that even outside children should still observe social distancing outside of their bubble
- Children to **sit** with parents/carer when inside club house no children at the bar.
- The back room will remain closed with no use of children's toys
- In the event of bad weather the club may close at short notice depending on numbers
- No pool, darts, skittles, or use of fruit machines
- No music or dancing, TV to be on low volume
- No shouting loud/raised voices
- Members only no guest allowed
- Limited availability of products we apologise if a product goes out of stock or is unavailable.
- Please remember to socially distance at all times.

Failure to adhere to these instructions may see members asked to leave, further the Exec may have to review the club re-opening if rules are being ignored.
